Lisbon, 1250-018 | (+351)934001402

fredgf2000@gmail.com | <https://www.linkedin.com/in/f-fernandes>

Dedicated and highly motivated professional. Quick learner and adaptable, I excel at overcoming challenges. Eager to contribute my knowledge and drive innovation.

EXPERIENCE

Intern, Software Developer

Jan 2024 - Present

Haitong Bank, Lisbon

- Contributed to software development projects utilizing C# and Python, actively playing a part in creating innovative solutions that strategically aligned with the bank's objectives.
- Collaborated seamlessly with cross-functional teams, implementation, and maintenance of robust software solutions that met and exceeded the bank's requirements.
- Employed SQL Server for effective database management, optimizing data storage and retrieval for enhanced performance.

Full Stack Web Developer

Dec 2022 - Nov 2023

Freelance

- Developed a web platform using JavaScript (ReactJS) and MySQL, targeting the vacation rental industry.
- Collaborated with a team to create a user-friendly and visually appealing interface, emphasizing responsive design for optimal user experience.
- Successfully delivered the project, meeting all client requirements and achieving positive feedback.
